## Antonym Sprint

**Directions:** Read the passage aloud in **one minute**, focusing on accuracy, speed, and expression. After reading, look at the five **underlined words** in the passage. Write down an **antonym** (a word with the opposite meaning) for each underlined word.

### Passage - The Summer Festival

The town square was bright with colorful lanterns hanging from the trees. Music played as children danced with joy around the fountain. Food vendors offered hot meals, and people lined up eagerly to taste them. As the evening continued, the once crowded square grew quieter. By midnight, the festival ended, leaving the streets clean and empty again.

**Your Task:** Write antonyms for the five underlined words.

1. bright →

2. joy →

3. hot →

4. crowded →

5. clean →
