

Name _____

Fast Fact Match

Directions: Read the passage aloud in **one minute**. After reading, look at the **three short questions** about the passage. Match each question with its correct answer.

1. Lila entered her school's art contest with a painting of a sunflower. She worked for hours, carefully adding bright yellow petals and a green stem. On the day of the contest, her painting was displayed in the gym along with other students' artwork. When the judges announced the winners, Lila received second place.

- | | |
|--|-----------------|
| 1. What did Lila paint? | A. In the gym |
| 2. Where were the paintings displayed? | B. Second place |
| 3. What place did Lila win? | C. A sunflower |

2. Sam and his family boarded a train headed to the city. He loved watching the scenery rush past the windows—trees, rivers, and little towns. A friendly conductor came by to check their tickets and smiled at Sam. After two hours, the train finally arrived at the busy station downtown.

- | | |
|--|------------------------------------|
| 1. Who checked the tickets? | A. At the downtown station |
| 2. What did Sam see outside the windows? | B. A conductor |
| 3. Where did the train arrive? | C. Trees, rivers, and little towns |

3. On Saturday, Ana and her friends had a picnic in the park. They spread a blanket on the grass and unpacked sandwiches, fruit, and lemonade. After lunch, they played frisbee and laughed together until the sun began to set. Everyone agreed it had been the perfect afternoon.

- | | |
|-------------------------------------|------------------------------------|
| 1. Where did the picnic take place? | A. Frisbee |
| 2. What food did they bring? | B. Sandwiches, fruit, and lemonade |
| 3. What game did they play? | C. In the park |
