A Letter to Scrooge Answer Key

(Sample Letter - variations encouraged)

Dear Mr. Scrooge,

I beg you to open your heart before it is too late. Money may fill your pockets, but it cannot fill the emptiness in your life. Please treat Bob Cratchit kindly, for he works hard and has a family who depends on him. Visit your nephew Fred—he offers you warmth and laughter that you need. And most importantly, remember that Christmas is not a waste of time but a chance to show kindness to all people. If you change now, you may avoid a future filled with regret and loneliness.

Sincerely,

A Concerned Friend
