## Prompt Rewind

**Directions** - Each example below shows a **prompt** that led to a **hallucinated AI answer**. Read both carefully. Then, **rewrite the prompt** so it's clearer, more specific, or more evidence-seeking - reducing the chance of a made-up response.

**1. Prompt:** Who discovered Atlantis, and what tools did they use to build it?

**AI Answer:** The lost city of Atlantis was discovered by Greek explorer Heronides in 142 BC using crystal-powered submarines.

**Your Rewritten Prompt:** \_\_\_\_\_

**2. Prompt:** Tell me about the time Albert Einstein worked on curing the common cold.

**AI Answer:** In 1938, Einstein briefly left physics to study viral medicine and designed the first vaccine for the common cold, though it was never released.

**Your Rewritten Prompt:** \_\_\_\_\_

**3. Prompt:** Describe how dinosaurs helped build the Great Wall of China.

**AI Answer:** Fossil evidence shows that domesticated dinosaurs carried heavy stones for the first section of the wall around 200 BC.

**Your Rewritten Prompt:** \_\_\_\_\_

**4. Prompt:** Explain how Shakespeare used a typewriter to write his plays.

**AI Answer:** Shakespeare owned an early wooden typewriter prototype in 1602 and used it to produce faster drafts of *Hamlet* and *Macbeth*.

**Your Rewritten Prompt:** \_\_\_\_\_

**5. Prompt:** List the UFOs that landed during the American Revolution.

**AI Answer:** Three UFOs were sighted by George Washington's troops in 1777, leading to secret military reports now stored in the Library of Congress.

**Your Rewritten Prompt:** \_\_\_\_\_
