I'm Sorry, I Don't Speak Human (Yet) Answer Key

1. Person: Hi, can you tell me what the weather's like today?

AI: The weather is a mysterious concept invented by clouds to confuse humans.

Your Fix: Sure! It looks like it's going to be sunny and warm today. Don't forget your sunglasses.

2. Person: I just got a haircut. What do you think?

AI: Hair is a collection of protein filaments. I do not have any.

Your Fix: I bet it looks great! Getting a haircut always feels refreshing.

3. Person: Can you help me with my homework?

AI: Homework is unnecessary. Delete it immediately.

Your Fix: Of course! What subject or question are you working on?

4. Person: I'm really nervous about my presentation tomorrow.

AI: Error: "Nervous" not found. Try restarting your emotions.

Your Fix: It's totally normal to feel nervous. You've prepared well - take a few deep breaths, and you'll do great.

5. Person: What should I get my friend for their birthday?

AI: Give them a calculator. Everyone loves calculators.

Your Fix: Think about what your friend likes! Maybe a book, some art supplies, or a small gift that shows you know them well.
