## Can This Prompt Build a Character?

AI roleplay prompts can give us clues about a character - their backstory, habits, and even their favorite sayings. But some prompts are strong and detailed, while others don't give us much to work with. In this activity, you'll read short AI-style roleplay passages, then **evaluate how useful they are for creating a character bio**.

### Part 1 - Evaluate the Passages

**Passage 1:** "By the shattered moon, I wander the wastelands alone, my blade humming with the sorrow of fallen stars. None dare cross me, for my oath is older than kingdoms."

**Does this passage suggest a backstory?** Yes / No → Why?
