## AI Stand-Up Comedy! Answer Key

*(Students' answers will vary — here are sample funny lines.)*

1. **Roomba** → *"Roomba is like a pet hamster because it just runs around in circles."*
2. **Google Translate** → *"Google Translate is like a friend who tries really hard in Spanish class but still makes you laugh."*
3. **Siri** → *"Siri is like that classmate who raises their hand even when they don't know the answer."*
4. **Self-Driving Cars** → *"Self-driving cars are like teenagers with learner's permits — pretty good, but you're still nervous."*
5. **AlphaGo** → *"AlphaGo is like an alien chess master because it plays moves no human can understand."*
6. **Facial Recognition** → *"Facial Recognition is like a nosy neighbor because it always knows who's at the door."*
