

Name _____

Privacy in the Picture

Every photo tells a story - sometimes more than we realize. Look carefully at each picture on this page. For each one: Write what personal information could be **inferred** from the image.

(What might someone learn about who you are, where you are, or what you do?) Decide whether posting it on social media would be **Safe** or **Not Safe**, and explain why.

1. First Day Vibes

What can be inferred? _____

Is This Safe or Not Safe to Post? _____
