## Two Truths and a Lie Answer Key

### Set 1

- Lie: **AI has real human emotions.**
  - Who solves it faster? **Humans** (emotions are a lived experience).
- 

### Set 2

- Lie: **AI can read your mind.**
  - Who solves it faster? **Humans** (common sense—AI can predict, but not literally read thoughts).
- 

### Set 3

- Lie: **AI can dream while it sleeps.**
  - Who solves it faster? **Humans** (dreaming requires a living brain).
- 

### Set 4

- Lie: **AI can get hungry and need lunch breaks.**
  - Who solves it faster? **Humans** (AI doesn't have a body or appetite).
- 

### Set 5

- Lie: **AI can feel proud when it wins a game.**
- Who solves it faster? **Humans** (pride is an emotion).
