

Name _____

AI Slop

Instructions - AI writing can sometimes sound smooth and correct, but other times it produces "sloppy" language (awkward, repetitive, or unnatural). We'll call this AI Slop.

For each sentence below:

1. Decide if it is AI Slop or Quality Human-like Writing.
2. Explain why you classified it that way.

Example (Completed for You)

Sentence: "The dog is a dog that is very much a dog, and the dog was walking."

Answer: AI Slop

Why: It is repetitive, awkward, and doesn't sound like something a person would naturally write.

1. "The sun set slowly, painting the sky with pink and orange colors."
