

Name _____

Tracing Lewis's Argument Answer Key

Correct Timeline

1. **D.** Critiques *The Green Book* for reducing moral judgments to subjective feelings.
2. **F.** Argues this creates "men without chests," incapable of virtue.
3. **C.** Explains the Tao as a universal moral law shared across cultures.
4. **A.** Shows that attempts to invent new values outside the Tao collapse into contradiction.
5. **B.** Warns that science and technology will become tools of domination when divorced from the Tao.
6. **E.** Concludes that rejecting the Tao entirely leads to "the abolition of man."
