Day 7: The forest **is** alive with sounds. Birds **sing** in the canopy while monkeys **swing** from branch to branch. The air **feels** damp and thick, and everything **smells** earthy. I am tired but curious. The river **rushes** below, **cutting** through rocks and vines. A bright frog **looks** poisonous, but it **remains** still as I **approach**. My hands **shake** a little, but I **stay** calm. This jungle **is** both wild and beautiful.
