

Name _____

Decimal Models

Directions: Shade the hundred grids or base-ten models to show each pair of decimals. Combine the models. Then write the addition equation and the sum.

1. **Model A: 0.24** **Model B: 0.35**

Equation: _____

Sum: _____

2. **Model A: 0.41** **Model B: 0.18**

Equation: _____

Sum: _____

3. **Model A: 0.56** **Model B: 0.22**

Equation: _____

Sum: _____

4. **Model A: 0.13** **Model B: 0.47**

Equation: _____

Sum: _____

5. **Model A: 0.39** **Model B: 0.16**

Equation: _____

Sum: _____

6. **Model A: 0.52** **Model B: 0.27**

Equation: _____

Sum: _____

.....
