## Solve the Riddle: "Who Am I?" (Add and Subtract w/Regrouping)

### Riddle

I wear a suit every day, yet I never go to work.  
I wobble when I walk, but I'm the star of the show.  
Sometimes I slip, slide, and shake to make an audience laugh.

**What silly spectacle am I?**

**Directions:** Solve each addition or subtraction problem below. Match your answer to the **Letter Code Box** at the end. Write the letter that matches your answer next to each problem number. When all problems are solved, the letters will spell the answer to the riddle.
