

Name _____

Car Chase Answer Key

Look at each chase. Count how many cars there are altogether (the racer cars and the police cars). Then, make a little math problem to show the chase.

1.

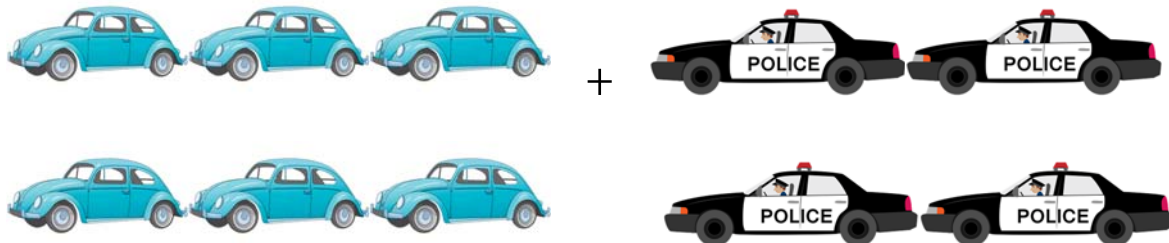

Math problem: $3 + 2 = 5$

2.

Math problem: $3 + 3 = 6$

3.

Math problem: $6 + 4 = 10$

4.

Math problem: $1 + 5 = 6$
