Story Rescue Answer Key

Since this is a creative activity, answers will vary. Here's one **sample version** of completed adjectives for reference:

It was a **bright** summer morning when we visited the zoo. The sky was **clear** and the air felt **warm**. My little brother wore his **silly** hat and carried a **colorful** backpack.

We stopped first at the lion enclosure. The lions were **sleepy** and looked very **majestic** as they rested under the shade. Nearby, a group of **playful** monkeys swung through the trees making **silly** noises.

Then we saw the giraffes. They had **long** necks and ate from the tops of the **tall** trees. I loved the zebras the most — their **striped** stripes were so cool!

Suddenly, a **bright** parrot flew over our heads, squawking loudly. It landed on a zookeeper's **surprised** shoulder and stole a **juicy** snack from his pocket!

We left the zoo with **big** smiles and lots of **amazing** memories.
