Adverb Sorting Mission

Mission Brief - You've been selected as a linguistic agent for Operation Adverb! Your task: sort the adverbs into the correct categories to decode the mission.

There are **four secret files** (categories) for your sorting task:

File A: Manner (How?)   **File B: Time (When?)**

File C: Place (Where?)   **File D: Frequency (How often?)**

Part 1: Adverb Sorting Grid - Below is a list of **24 adverbs**. Place each adverb into the correct file category. Record your answers using the chart in Part 2.

Adverbs to sort - swiftly, yesterday, rarely, everywhere, loudly, never, outside, often, suddenly, here, gently, later, soon, quietly, always, nearby, briskly, tomorrow, carefully, frequently, upstairs, early, seldom, well

Part 2: Sorting Table

Complete this chart by placing each adverb into the correct file.

File A: Manner (How?)	File B: Time (When?)	File C: Place (Where?)	File D: Frequency (How Often?)
