Adverb Transformation & Usage

Part 1: Adverb Transformation Table

Transform the following adjectives into adverbs of manner. Then, use each adverb in a sentence that shows clear context. Be sure your sentence also contains at least one more adverb from a different category (time, place, frequency, or degree).

Adjective	Adverb of Manner	Your Sentence
1. Happy		
2. Loud		
3. Graceful		
4. Angry		
5. Quiet		
6. Quick		
7. Neat		
8. Brave		

Part 2: Find and Label the Adverbs

Read the sentences below and identify **two adverbs** in each: one of **manner** and one from **another category** (time, place, frequency, or degree). Underline them and label them (**M**) for manner and (**T, P, F, or D**) for the other.

1. She danced **elegantly** at the gala **last night**.
2. They speak **softly** when they're **at the library**.
3. He answered the questions **confidently**, but **rarely** got them right.
4. The dog barked **angrily** when the stranger came **near**.
5. I packed the gifts **carefully**, and they were **completely** sealed.
