

Name _____

Solitude Sense

Directions: Read each sentence carefully. Write **C** if the sentence correctly uses *alone* or *lonely*. Write **IN** if it is incorrect. Remember: *alone* means being by yourself, while *lonely* means feeling sad because of being by yourself.

1. Mia stayed alone in the art room to finish her painting.
2. The classroom was full, but Jake still felt alone among his classmates.
3. The puppy whined because it felt lonely after its owner left.
4. Grandma enjoys sitting lonely in her garden every morning.
5. I was alone in the library, and it was peaceful.
6. Even with his friends nearby, Leo sometimes feels lonely.
7. Sarah wanted to walk lonely to school so she could think.
8. The baby bird was alone in the nest after the others flew away.
9. My brother said he felt alone even though he was surrounded by family.
10. The explorer camped lonely in the mountains all night.
