

Name _____

Alone Vs. Lonely Quiz Answer Key

1. C
2. A
3. D
4. B
5. B

Teacher's Guide:

- **Skill Focus:** Helps students analyze tone, syntax, and emotional precision when choosing between *alone* and *lonely*.
- **Differentiation Tips:** Review sample sentences together, asking why one option feels "emotionally right." Provide color-coded examples distinguishing physical state versus emotional state.
- **Engagement Ideas:** Have students write two short original sentences-one using *alone* and one using *lonely*-that show clear contrast in tone.
- **Extension Activities:** Challenge advanced learners to revise an entire paragraph where word choice shifts the emotional meaning, demonstrating how diction affects narrative tone.
