Teacher's Guide

- **Differentiation Tips:**

- Review the rule: *I-am, he/she/it-is, we/you/they-are* before students begin.
- For visual learners, display each subject and verb on colorful flashcards.
- Support emergent readers by reading each word aloud as they trace or connect.

- **Engagement Ideas:**

- Turn it into a "Verb Connection Race" where students race to draw correct lines.
- Use string or yarn to connect physical cards on a board for a hands-on version.
- Have students clap or snap when they hear correct matches during review.

- **Extension Activities:**

- Ask students to use each matched pair in a full sentence aloud or in writing.
- Challenge fast finishers to create a mini story using at least three correct subject-verb pairs.
