

Name _____

If Snowball Stayed Answer Key

(Sample Predictions)

Changed Event: Snowball Stays	Cause (What happens because Snowball stays)	Effect (The larger outcome for the farm)
Snowball continues his windmill project.	Animals put more energy into technology and education.	Farm modernizes faster, animals may trust leaders more.
Snowball balances Napoleon's power.	The pigs argue and compete for influence.	Leadership may be divided, but dictatorship is less absolute.
Snowball promotes education.	More animals learn to read and think critically.	Propaganda becomes less effective, animals harder to control.
Boxer supports both leaders.	He works even harder for the windmill and the farm's progress.	Boxer's fate might improve, as he would be valued more for the shared project.
Trade with humans may be delayed.	Snowball focuses on independence rather than alliances.	The animals keep faith in the original equality commandments longer.
