### Challenge Question (Model Answer)

Napoleon and Snowball do share some similarities, even though they quickly become rivals:

1. **Belief in Animalism:** Both accept Old Major's vision and support the rebellion against Mr. Jones.
2. **Leadership Roles:** Each takes charge early on as one of the pigs guiding the farm.
3. **Ambition:** Both are ambitious and want to shape the farm's future according to their own ideas.

The key difference is how they lead: Snowball is more idealistic and innovative, while Napoleon is more power-hungry and ruthless.
