

Name _____

Spot the Claim – Everyday Situations

Directions: Read each scenario and underline the main **claim** made by the speaker.

1. Samantha: "I think we should have longer lunch periods at school. It would give students more time to relax and socialize, which helps improve focus in class."

Your Task: What is Samantha's claim?

2. Brian: "Video games should be allowed during free time at school because they help students develop problem-solving skills and teamwork."

Your Task: What is Brian's claim?

3. Teacher Announcement: "Starting next month, students will no longer be able to use their phones during class. This policy will help reduce distractions and improve learning."

Your Task: What is the claim in this announcement?

4. Social Media Post: "School uniforms take away our individuality. Students should be allowed to express themselves through their clothing choices."

Your Task: What claim is the poster making?

 **Extension: Write your own 2-sentence opinion about school rules. Underline your claim.**
