

## Evaluating Questions Answer Key

### Part 1:

1. **What did Carlos do at the farm?**
  - He helped feed chickens, pick apples, water the garden, and rode the tractor.
2. **Why do you think Carlos liked riding the tractor?**
  - Because it was fun or exciting, and he got to spend time with his grandfather.
3. **What did Carlos find in the barn?**
  - An old photo album with pictures of his mom as a child.
4. **Do you think Carlos enjoyed learning about his mom's childhood? Why or why not?**
  - Likely yes, because he spent the whole afternoon looking through the pictures and asking questions.

### Part 2:

5. **Inferential** – He probably enjoyed riding the tractor because it's fun or adventurous.
6. **Literal** – The photo album is clearly mentioned in the passage.
7. **Opinion-based** – The student must form an opinion based on clues.
8. **Inferential/Opinion-based** – Requires creative thinking and inference about what he might want to know.
