

Name _____

Teamwork Helpers Answer Key

1. A
2. D
3. B
4. C
5. C

Teacher's Guide:

- **Differentiation Tips:** Read the passage aloud with expression to support comprehension. Offer picture cues or act out the story for students who need visual reinforcement. For advanced learners, discuss why polite asking helps group success.
- **Engagement Strategies:** Have students role-play moments from the story, switching roles between the helper and the one asking for help. Emphasize tone of voice and kindness.
- **Extension Ideas:** Encourage students to write or draw about a time they asked for help or helped a classmate. Display these examples on a "Helping Hands" classroom wall to reinforce community support.
