

Name _____

Day At The Movies

Directions: Read the paragraph carefully. It contains several incorrect uses of **at**, **in**, and **on**. Rewrite the paragraph correctly, fixing all the errors. Then, below your rewrite, explain three of your corrections by telling *why* the new preposition fits better.

Last Saturday, I woke up in 7:30 a.m. and rushed to meet my friends in the bus stop. We planned to hang out in the mall and watch a movie at the big screen. When we arrived, we realized our tickets were on my bag, which I had left in home. I called my mom, and she found them on my desk. She brought them to me in the food court, and we made it just in time for the movie. It was a fun day in the weekend!
