## Preposition Memories

**Directions:** Think of a day that stands out to you. It could be a school event, a trip, or a fun family memory. Write a short paragraph (5-7 sentences) describing that day. Make sure each sentence includes a correct use of **at**, **in**, or **on** to show time, place, or position. Underline each preposition after you write.

### Example Ideas:

- The day of your first big game or performance
- A special holiday or celebration
- A surprising or funny day at school
- A relaxing day in nature

**Example Sentence:** I met my friends **at** the park early **in** the morning **on** Saturday to celebrate my birthday.
