8. True.

### Teacher's Guide

- Best for grades 3 to 6 and helps build comprehension of Atlantic Ocean facts while encouraging correction skills.
- Remind students to reread false statements carefully before correcting them.

### Differentiation Tips

- Provide sentence starters for students who struggle with rewriting false statements.
- Read the statements aloud for students who benefit from auditory support.
- Challenge advanced students to create two additional true or false statements for a partner.

### Engagement Ideas

- Have students discuss each statement with a partner before deciding on True or False.
- Use a wall map or globe to point out the Atlantic Ocean and related features before beginning.
