Teacher's Guide

- Designed for grades 3 to 6 as a context clue and geography skills activity.
- Encourage students to reread each sentence and find words that hint at the correct answer.

Differentiation Tips

- Provide a word bank for students who need more support.
- For advanced learners, have them rewrite one sentence using their own wording while keeping the meaning.

Engagement Ideas

- Pair students to discuss the clues that helped them find each answer.
- Show a world map and have students point out the Atlantic Ocean before starting.

Extension Activities

- Ask students to write three new fill in the blank facts about the Atlantic Ocean.
- Have students research one Atlantic animal and share two interesting facts with the class.
