Library Mystery

Directions: Find the missing value using the total. Then draw the missing bar.

Books Borrowed on Monday

1) Add the five known values.

$$8 + 6 + 7 + 5 + 9 = \underline{\hspace{2cm}}$$

2) Subtract that amount from the total.

$$42 - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

3) The missing Sports value is _____ books.

4) Draw the Sports bar above so it shows the missing value.
