## French Revolution Timeline Challenge

**Instructions:** Below are **eight event cards** related to the French Revolution and Bastille Day. Each card includes a short description of a major event. Your task is to **read all the cards carefully**, then **number them 1 through 8** to show the **correct chronological order** of events.

### Event Cards

\_\_\_\_\_ **A.** The National Assembly adopts the **Declaration of the Rights of Man and of the Citizen**, proclaiming liberty, equality, and fraternity as the foundation of a new France.

\_\_\_\_\_ **B.** Thousands of angry Parisians storm the **Bastille prison** on July 14, 1789, seeking weapons and sending a clear message of resistance to the monarchy.

\_\_\_\_\_ **C.** The Estates-General is called into session by **King Louis XVI** in May 1789 after nearly 175 years, due to a growing financial crisis in France.

\_\_\_\_\_ **D.** The monarchy is officially **abolished**, and the **French Republic is declared** on September 21, 1792.

\_\_\_\_\_ **E.** The **Tennis Court Oath** takes place, where members of the Third Estate vow not to separate until they create a new constitution.

\_\_\_\_\_ **F.** **King Louis XVI is executed** by guillotine in January 1793, marking the end of royal authority.

\_\_\_\_\_ **G.** **Bastille Day** becomes an official **national holiday** in France, beginning in 1880, to celebrate the revolution's legacy and unity.

\_\_\_\_\_ **H.** **Robespierre leads the Reign of Terror**, executing thousands of people suspected of opposing the revolution.
