1. brush
2. trunk
3. clap
4. crab
5. train
6. brick
7. green
8. stack

Teacher's Guide

- Review common beginning blends before starting and model blending two consonant sounds smoothly.
- Support developing readers by reading each sentence aloud and asking which word makes sense and starts with a blend.
- Offer a challenge by having students write one additional sentence using any blend word from the list.
- Build engagement by letting students illustrate one of their completed sentences or sort the word choices by blend after finishing.
