Busy Blend Read

Directions: Read the story. Then answer the questions that follow. Pay attention to the underlined blend words.

The Busy Playground

Blake and his friend Clara ran to the big climb set at the playground. Blake liked to swing while Clara loved to slide down the tall ramp. They took turns building a block tower near the tree. A small brown dog trotted by and sniffed their glove on the bench. When the school bell rang, the friends cleaned up the trash and clapped before lining up.

1. Who are the two friends in the story?

2. What did Clara love to do on the playground?

3. What did Blake and Clara build together?

4. What animal walked by them?

5. What did the friends do when the school bell rang?
