

Name _____

Digraph Discovery Map Answer Key

1. shell - sh
2. wheel - wh
3. chick - ch
4. shadow - sh
5. whisk - wh
6. chair - ch

Teacher's Guide

- Provide students with picture cards or have them sketch simple drawings to support visual recognition of each word.
- Say each word aloud and stretch the beginning sound to help students hear the digraph clearly.
- For differentiation, offer fewer digraph options for emerging learners or provide a word bank for additional support.
- For extension, invite students to generate their own digraph words, draw a picture, and trade with a partner for matching practice.
