7. bee, tree - The bee buzzed by the tree.
8. hen, pen - The hen ran to the pen.

Teacher's Guide

- **Differentiation:** For students who need support, let them copy a sentence frame like "The ___ is by the ___." For students who are ready, challenge them to add one describing word, or write two sentences that both include the rhyme pair.
- **Engagement:** Read each prompt aloud and have students whisper the two rhyming words to a partner before writing. Invite a few volunteers to read their rhyming sentences to the class.
- **Extension:** Students pick one prompt and draw a quick picture to match their sentence, then underline the two rhyming words in their writing.
