10. tree

Teacher's Guide

- **Differentiation:** If students need support, read the word bank aloud first and have them point to the word that matches the ending sound. If students are ready for more, cover the word bank and let them try to say a rhyme before checking the bank.
- **Engagement:** Turn each item into a quick echo game: you say "sun," students repeat "sun," then say the rhyme together as a class.
- **Extension:** After completing the page, students choose any three pairs and draw quick pictures for each rhyming set, then label the pictures with the two words.
