Directions: Read the informal blog entry below. Then rewrite it as a short **formal essay paragraph** suitable for a school report. Replace every instance of **in back of** with **behind** and adjust the tone by choosing more formal vocabulary and sentence structure. Keep the same main ideas but make the writing sound professional and polished.

Yesterday was amazing! My friends and I discovered an old garden in back of the library, and it looked like something straight out of a storybook. We hung out there for a while, talking and taking pictures of the wildflowers in back of the benches. Later, we saw a gardener working in back of the greenhouse who told us that the space was part of a community project. I never knew such a cool hidden spot existed right in back of our school.
