Dual Style Dialogue

Directions: Read the short conversation below. First, rewrite it in a **casual style** using **in back of** in place of **behind**. Then, rewrite it again in a **formal style** using **behind** correctly. Show how word choice changes tone and formality.

Original Conversation:

Liam: Did you see where the art supplies went?

Maya: Yes, they're behind the tall cabinet in the classroom.

Liam: Oh, thanks! I'll grab them before class starts.

Your Turn:

1. Rewrite the dialogue casually (use **in back of**).
2. Rewrite the dialogue formally (use **behind**).
3. Read both aloud and notice how the tone changes.
