# Clarity Revision Task

**Directions:** Read the short formal paragraph below. The word **besides** is used too often, and sometimes incorrectly. Rewrite the paragraph by replacing unnecessary or incorrect uses of **besides** with more precise transitions (such as *in addition*, *furthermore*, *also*, *moreover*, or *next to*), or by substituting **beside** when showing location. Keep the tone formal and clear.

Besides the main building, the new art center features several classrooms for painting and design. Besides the sculpture studio, there is a photography lab that students can access anytime. Besides, the director believes that collaboration between departments is key to creativity. The student lounge is located besides the garden courtyard, offering a quiet place to study. Besides providing studio space, the art center hosts visiting artists who lead workshops for advanced learners.
