

## Preposition Precision Drill Answer Key

### Sample Revisions

**Revised Paragraph 1:** The debate **between** the two political candidates highlighted clear differences in leadership style. Voters noted that cooperation **among** the various advocacy groups was limited, creating tension during the campaign. Understanding the contrast **between** two individuals helps reveal how personality influences policy.

**Explanation:** **Between** is correct for two entities; **among** fits when describing relationships within several groups.

**Revised Paragraph 2:** In scientific research, collaboration **among** multiple universities often accelerates innovation. However, disagreements sometimes arise **between** the two lead scientists who manage separate experiments. Finding balance **between** broad teamwork and individual effort is essential to successful outcomes.

**Explanation:** **Among** fits multiple universities; **between** works for two scientists or contrasting forces.

**Revised Paragraph 3:** Writers frequently explore the boundaries **between** two opposing ideas such as freedom and responsibility. In these cases, the struggle **between** competing moral values defines character motivation. Readers can see how tension spreads **among** society as a whole when ideals conflict.

**Explanation:** **Between** applies to two contrasting ideas or moral values; **among** fits when referring to the collective population.

### Teacher's Guide

- **Differentiation Tips:**
  - Provide sentence diagrams or pair/group visuals for visual learners.
  - Allow advanced students to rephrase entire paragraphs with synonyms for deeper revision practice.
- **Extension Ideas:**
  - Ask students to locate real examples of **between** and **among** in academic articles or opinion essays and explain the writer's logic.
  - Encourage rewriting one of their own essay paragraphs with precise prepositional use.
