Teacher's Guide

- **Skill Focus:** Helps students determine the correct preposition (**between** for two, **among** for three or more) by analyzing context clues and quantities in a sentence.
- **Differentiation Tips:**
 - For struggling students, read sentences aloud and emphasize the number of nouns.
 - For advanced learners, ask them to justify each choice using logic or visual sketches.
- **Engagement Ideas:**
 - Turn it into a scavenger hunt where students act out sentences with objects or classmates.
 - Let pairs create their own "clue sentences" using both prepositions for peers to solve.
- **Extension Ideas:**
 - Challenge students to write a short descriptive paragraph correctly using both **between** and **among**.
 - Ask them to highlight other context clues (e.g., plural nouns, group terms) that guided their decision.
