

Name _____

Preposition Scavenger Hunt

Directions: Walk around your classroom and observe your surroundings. Find and write five sentences that correctly use **between** and five sentences that correctly use **among** to describe what you see. Each sentence should clearly show the relationship of position or placement. Underline the nouns that help you decide which preposition to use.

Examples:

1. The flag hangs **between** two windows.
2. The markers are **among** the art supplies on the shelf.
