### Teacher's Guide

- **Skill Focus:** Reinforces correct usage of **between** for two items and **among** for groups of three or more through real-world observation and application.
- **Differentiation Tips:**
  - For visual learners, provide examples using classroom objects before beginning the activity.
  - For struggling students, guide them to count or group nouns aloud to identify the right preposition.
- **Engagement Ideas:**
  - Turn it into a competition where students share their most creative or funny examples aloud.
  - Allow students to take turns acting out examples for the class to guess whether **between** or **among** fits.
- **Extension Ideas:**
  - Challenge students to create a short descriptive paragraph about the classroom using both prepositions correctly.
  - For advanced learners, have them describe scenes outside the classroom, such as the hallway, library, or playground, using accurate prepositional phrases.
