

Name _____

Preposition Checker

Directions: Read each short passage carefully. Underline the correctly used preposition (**between** or **among**) and circle the incorrect one. Use the number of nouns or groups mentioned in each passage to help you decide.

1. The river flowed **between** two steep mountains, and tiny bridges connected the villages **among** the trees.
2. During lunch, Sara sat **among** Sadie and Lara, but her backpack was stuck **between** the two benches.
3. The competition **between** the two rival schools was fierce, but the sportsmanship **among** all the players was impressive.
4. The lost coin had rolled **among** the rows of desks instead of **between** the two closest chairs.
5. The secret was shared **between** the three classmates, even though it was supposed to stay **among** everyone on the team.
6. My dog ran **between** the fence posts and disappeared **among** the tall grass behind the shed.
7. The choice **among** the four movie options was difficult, but we finally agreed **between** the group.
8. The letter was hidden **between** two pages of an old book that was resting **among** the dusty shelves.
