Teacher's Guide

- **Skill Focus:** This worksheet strengthens students' ability to use **between** for comparisons or relationships involving two and **among** for groups of three or more.
- **Differentiation Tips:**
 - Review examples visually by drawing two vs. multiple objects on the board.
 - Pair struggling learners with peers to discuss why certain choices are correct.
- **Engagement Ideas:**
 - Turn it into a "grammar detective" competition where students explain clues for each correct answer.
 - Read passages aloud and have students hold up signs labeled "between" or "among."
- **Extension Ideas:**
 - Have students write their own short paragraph that uses both prepositions correctly.
 - Encourage them to find examples in books or online articles and explain each use in class.
