## Judgment Jam

**Directions:** Highlight or underline **every opinion statement** you find in the passage. Then, answer the reflection questions to evaluate how they affect the text's **credibility** and **reader trust**.

### "The Future of Online Learning"

Online learning is clearly the best way for students to succeed in today's world. With so many amazing programs available, students can learn whatever they want, whenever they want. Traditional schools are outdated and boring, and teachers in classrooms often waste time on unnecessary lessons. Online learning gives students freedom, excitement, and power over their education. Anyone who says online learning isn't effective just hasn't kept up with the times.

1. How many **opinion statements** did you find in the passage?

\_\_\_\_\_

2. Choose two of the opinions you highlighted. Rewrite each one as a **neutral or factual statement**.

\_\_\_\_\_

\_\_\_\_\_

3. How does the author's heavy use of opinion affect the **credibility** of the passage?

\_\_\_\_\_

\_\_\_\_\_

4. What **tone or bias** does the author show toward online learning?

\_\_\_\_\_

\_\_\_\_\_

5. If this article were meant to inform rather than persuade, what **changes** would improve its balance and trustworthiness?
