

Name _____

R-Sound Labels Answer Key

1. shark
2. fork
3. nurse
4. barn
5. bird
6. storm
7. fern
8. turtle

Teacher's Guide

- This worksheet reinforces recognition of **r-controlled vowels** in simple, familiar vocabulary.
- Provide a mini word bank for emerging writers or have them stretch out the sounds orally before writing.
- Encourage students to say each word aloud and emphasize the r-controlled vowel to build phonemic awareness.
- For an extension activity, have students draw one more real-world object with a bossy r sound and label it independently.
