## Forest Search Tale

**Directions:** Read the story. Highlight or circle all the bossy r words. Then answer the questions.

Harper and her brother Mark went on a short morning walk through the forest trail. A sharp bird call made them turn toward a tall fern near a large rock. Mark heard another chirp and started to search under the curved branch for more creatures. Harper carefully stepped around the dirt path, hoping to spot a bright squirrel before it darted away.

1. Who went on the walk?

\_\_\_\_\_

2. What plant did they see near the rock?

\_\_\_\_\_

3. What did Mark hear in the forest?

\_\_\_\_\_

4. What did Harper hope to find on the path?
