## Box Of Traditions

**Directions:** Read the passage below about Boxing Day. Then, **circle** the main idea and **underline** the supporting details that explain or give examples.

Boxing Day began hundreds of years ago in England as a day for wealthy families to thank their servants and workers after Christmas. On December 26, boxes filled with leftover food, small gifts, or coins were given to those who had served during the holiday season. Churches also collected donations in boxes to help the poor.

As time passed, the holiday spread to other countries like Canada and Australia. The meaning of Boxing Day grew beyond servant gift-giving-it became a day for generosity and community spirit. Many people now use the day to volunteer, donate to charities, or spend time with family. Others enjoy traditions like sports events or holiday sales. No matter how it's celebrated, the heart of Boxing Day remains about **sharing kindness and giving to others**.

### Comprehension Task:

1. What is the **main idea** of this passage?

---

---

2. List **two supporting details** that explain how the holiday began.

---

---

3. List **two supporting details** that describe how Boxing Day is celebrated today.

---

---

4. Why do you think the main idea is important to remember?

---

---
